

GIAVALISE OLMEDA

Age 7

Felt and found fabrics

Norton Museum of Art Inspiration: *Georgia O'Keeffe: Living Modern* exhibition

Teaching Artist: Jill Lavetsky

I wanted to introduce my youngest students to working with fabric, inspired by the exhibition at the Norton Museum that featured a lot of Georgia O'Keeffe's handmade clothing designs. Students cut and glued felt to make portraits, but I like how this student ended up creating a three-headed figure.
